SOFTWARE OVERVIEW

WITH NEW ENHANCED INTERFACES

CARD VALUE SCREEN

Screenshot of the 'Card Value' screen in the Tx Systems software. The interface includes a top menu bar with 'File', 'View', 'Reports', and 'Help'. Below the menu are four buttons: 'Card Status' (Please insert card), 'Card Number', 'Last Updated', and 'Card Issued'. A sidebar on the left contains buttons for 'Card Value', 'Loyalty Points', 'Card Holder', and 'Retailer'. The main area has a 'Card Holder:' label with an 'Add' button. Below it, 'Current card value:' is displayed. An 'Amount to add/subtract:' input field is followed by 'Subtract' and 'Clear' buttons. A numeric keypad with digits 0-9 and a decimal point is centered on the screen.

The Card Value Screen is used to initialize value cards and to add and subtract value to the card.

LOYALTY POINTS SCREEN

Screenshot of the 'Loyalty Points' screen in the Tx Systems software. The interface is similar to the Card Value screen, with the same top menu and sidebar. The main area has an 'Award Points' button next to the 'Card Holder:' label. Below it, 'Current loyalty points:' is displayed. An input field for 'Loyalty points to add/subtract:' is followed by 'Redeem Points' and 'Clear' buttons. A numeric keypad with digits 0-9 and a decimal point is centered on the screen.

The Loyalty Points Screen is used to award and redeem loyalty points to the card.

CARD HOLDER SCREEN

Screenshot of the 'Card Holder' screen in the Tx Systems software. The interface includes the same top menu and sidebar. The main area contains a form for entering customer information. Fields include: First Name, Last Name, Phone Number, Address, Apt, City, State, Postal Code, and Email Address. 'Save' and 'Clear' buttons are at the bottom.

The Card Holder Screen is used to input Customers' Information to the card.

RETAILER SCREEN

Screenshot of the 'Retailer' screen in the Tx Systems software. The interface includes the same top menu and sidebar. The main area contains a form for entering retailer information. Fields include: Retailer Business Name, Phone Number, and Website Address. 'Save' and 'Clear' buttons are at the bottom.

The Retailer Screen is used to input Retailers' Information to the card.
